# CUR Security and Occupational Safety Department

---

**The Security Department of the Charles University Rectorate provides faculties and other university units with support and methodological guidance in implementing the security plan and in developing their own crisis management plans. It works closely with security coordinators at individual faculties and other units of the university.**

In addition, it is responsible for a range of other security-related areas, including:

- supporting faculties and university units in crisis management
- training in the protection of soft targets and classified information
- incident management
- providing methodological guidance in occupational health and safety (OHS) and fire protection
- training for drivers and staff operating specialised equipment

Information about the activities of the Security Department of the Rectorate of Charles University for university employees can be found on the [university intranet](#) .
